

The results of your child's performance on the STAAR test for the 2017 school year have been sent to Leonard ISD. Parents will receive a new STAAR Report Card that will replace the Confidential Student Report (CSR) you have received in the past. The district is anticipating to receive printed copies of these reports in mid-July. Parents will receive these in the mail the first part of August. If parents would like to have access to their child's results on the STAAR test now, then this page will explain how you can access your child's scores online.

<https://txparentportal.emetric.net/login?returnUrl=/list>

Parents may follow the instructions below for access.

If you do not have your child's access code, then please follow these steps:

1. Click on Lookup Access Code.
2. Enter your child's first name.
3. Enter your child's social security number (PEIMS ID).
4. Enter your child's birthdate.
5. Click on the Go button.

To find more information about the new STAAR Report Card, please follow the link.
