

Dear Parents,

On behalf of the staff at Leonard Junior High School, I am happy to welcome you to the 2017-2018 school year! At LJH, we believe that a high-quality educational program starts with a team effort. We know a strong partnership with you will make a great difference in your child's education. The LJH staff has worked hard and has spent hours in preparation to ensure that your child will receive the best possible education. Above all, we are here to assist you.

Throughout the school year, staff will monitor students' academic performance. Parents will be able to monitor their child's progress by utilizing the parent portal. To help with communication, we will be sending out information through our School Messenger, Remind text messages, and posting on our school website and Facebook pages. If you have any questions, please feel free to contact the school. You will find a directory with staff email addresses and phone numbers on the campus website.

Please familiarize yourself with the student handbook and code of conduct. It is very important that you and your child are fully informed regarding expectations related to appropriate behavior for a safe and productive school year. The wonderful LJH staff and I feel privileged to be a part of this school family. We thank you for your support and look forward to a great school year. Go Tigers!

Sincerely,

Tammy Hutchings

Leonard Junior School Principal
