

# Mrs. Kacie Littrell

**Campus:** Leonard High School

**Contact:** littrellk@leonardisd.net or (903) 5873556 ext 618

**Year I joined Leonard ISD:** 2010

**Hometown:** Leonard, TX

**A little about me:** My husband Ryan and my daughter Addyson keep me busy. Addy is 5 years old and attends Leonard Elementary School where she is currently a Kindergartner. I received my Bachelor of Arts from Austin College in Sherman, TX. I then completed my first Master's degree in School Counseling from the University of Texas at Tyler, and then pursued a second Master of Education in Clinical Mental Health Counseling from Lamar University. I began my career in the classroom which lasted 6 years, and advanced on to school counselor.

**Favorite thing about LISD:** There are so many things to love about Leonard. Once a Tiger always a Tiger! As an alumni I can attest to the fact there is rarely anything better than the sound of activity in the hallways or approaching the gates on Friday nights at Tiger Stadium. One of my favorite things is the amount of familiar people you'll run into while walking through each campus. No matter where you go, you are bound to see someone you know. This is just one of the things that makes being at Leonard always feel like you are right at home.

**Favorite place in Leonard:** Farmhouse Cafe is a great place to work on homework, grab coffee with some friends, or just sit and read. The atmosphere is charming and cozy, and it's just one of the great coffee options in the growing town of Leonard. I also love Lea's restaurant, home of the best burgers around. Few people actually know that I was a waitress at Lea's during my high school years.

**What inspires me:** I feel most inspired by the friends and family I get to enjoy life with, knowing them, and seeing the way they continue to overcome challenges, while also taking the time to invest in me just delivers encouragement into my life. I cannot imagine walking through life without being surrounded by such a great community.

**Fun Facts about me:** I am also the assistant cheerleading coach at LHS and I still love to choreograph dance routines and stunts.

**My advice to you (the prospective or current LHS student):** Visit our campus and talk to as many current students as you can! This is a great way to hear about all of the different opportunities that LHS has to offer and really get to know the community.
